The film is remake of the Telugu movie Pasanga starring Ram Charan Teja, Arunachalam and Manjima Mohan. The film released on 1 June 2013. The film was declared a huge hit in overseas box office. The music of the film was composed by Anupam Roy. The film is sequel to 2008 Telugu film Pasanga. Synopsis After getting defeated by an underworld don (Naseeruddin Shah), Ajay Rao (Dharmendra), a cop of the Indian police and his friends (Vikram Gokhale and Om Puri) make a vow that they will kill the don in his life. Soon, they are forced to keep the vow, and so, they take Ajay Rao to the jungle, where he finds a huge cave and meets an old man there. He tells Ajay Rao that he is Pasanga (L. B. Sriram), a god in the jungle, who has been killed thousands of years ago, by a man with the same name as Ajay Rao. Ajay Rao has a strange flashback of an event that happened to him some time ago, while he was in the jungles. The flashback tells how Ajay Rao came to Pasanga's cave as a student of the forest school, and was asked to kill the old man. But Ajay Rao was too afraid of the task, and told the old man that he would help him. The old man accepted, and Ajay Rao was only asked to do that, but he was not to tell any one about it. When Ajay Rao returns to Pasanga's cave, he tells Pasanga about his fate. Pasanga tells Ajay Rao that he is supposed to kill someone named Ajay Rao in his lifetime, so he can go back to the same cave Ajay Rao is standing in. Ajay Rao warns him that he will make sure Pasanga does not die. Meanwhile, Ajay Rao goes back to his village to visit his wife (Lara Dutta), and there, he meets his friend Kajal (Bobby Deol), who has come to meet him. Kajal tells him that he has got a criminal named Kanhaiya (Siddharth) on his hands, whom he wants him to arrest, and he requests Ajay Rao to do so, as he has seen his potential. Ajay Rao, instead of arresting Kanhaiya, invites him for a wrestling tournament. He also wins the 82157476af
